

# HONEY RUN TRAIL AT LAKE OF THE OZARKS STATE PARK

**GROUP WORK DAY  
NOV 12-13, 2005**

ERTA and local trail builders in Osage Beach have been hard at work laying out trails for the THIRD group workday. We hope you can join us. Most of the work this weekend will be benchcutting and final trail prep. It will be a lot of hard work, but we are going to try to make it fun. We will most definitely be using the **Dingo's**, so come see what mechanized trail building is like.

I've heard a rumor that someone may be bringing a beverage container with some barley-pop for us to enjoy after all of our hard work on the trail. Nothing set in stone, just a rumor.....

## LODGING HOTEL

We have a special "friends" room rate of \$69 at **Tan-Tar-A Resort**. Call 573-348-8554 and ask to speak to Gayla.  
Directions: Go south/west on Hwy 54 thru Osage Beach to State Road KK, then north (right) 3 miles to Tan-Tar-A entrance.

## CAMPING

There is pretty nice primitive camping just up the road from the work day. To get to it, go 5.7 miles north on McCubbins Drive from Hwy A. There are about 10 camping spaces with gravel drive-ins and fire rings. There is also a pit toilet building.

Here is a map of the park:

## FOOD

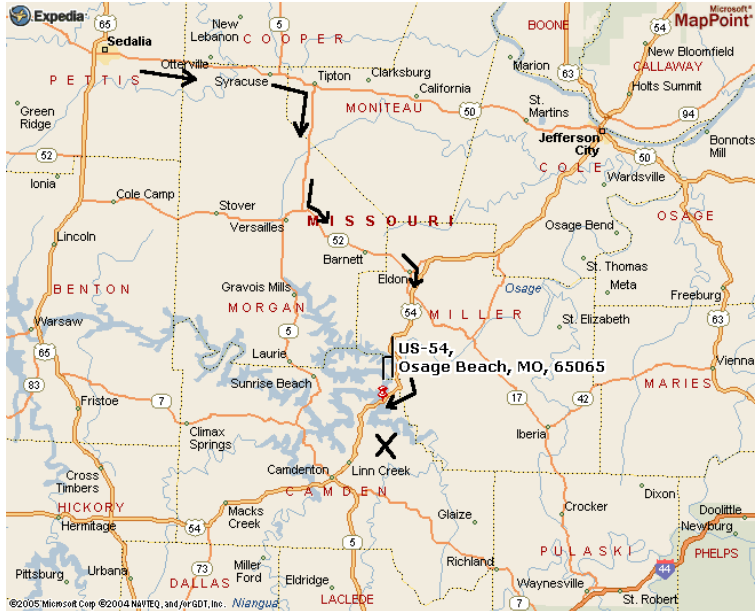

We have worked out a deal with **The Daily News Café** (1046 Main Street, Osage Beach) to have deli sandwiches catered to the site for **\$5 per person**. They are good deli sandwiches, and they come with a cookie and a pickle. ERTA will be paying for the food, but we ask that you donate whatever you can afford toward the lunches, as our budget is tight.  
**The Daily News Café** will also be bringing **fresh coffee** out to the work site in the morning.
